6. OTHER INFORMATION:
Tea market report 30 October - 3 November 2017

Good and improved general demand took place this week in the Mombasa auction. 143,755 packages were on offer down by 5,400 from the previous week, with a good majority of teas advancing. Plainer PD/D1s were a strong feature where some lots gained by 30cts. Rainfall continues to increase, and crop is improving. Market supply constraints related to the political environment and seasonal weather appear to have simmered down.
