8. OTHER INFORMATION

Tea market report 14 - 18 May 2018

In Kenya, a massive 167,272 packages were brought to market, up from 163,252 the previous week. The growing availability brought values down across many categories, but the market as a whole did not sing an easier trend. Lower quality teas still found gains. Port operations are in crisis mode, fueled by the intense rainfall and finance delays, the port is reporting that over 500 boxes are delayed.
