Tea market report 15 - 19 October 2018

This week's Mombasa auction was a lively affair. Uncertainty regarding last week's devaluation of the Pakistan rupee was settled which gave the Pakistan buyers the confidence to jump from the fence into the auction arena. Many other buyers acted cautious due to the upcoming large auction quantities ahead of us. Meanwhile the weather conditions are conducive for growing tea, crop is still increasing in most tea growing areas in East Africa.
