8. OTHER INFORMATION

Tea market report 28 January - 1 February 2019

Another large sale took place in Mombasa this week. The second of the 5 auctions larger than 190k packages met fair demand, leading to a soft market sentiment. At the end of the day 18% came out which is slightly more than last week. The buyers list was again dominated by two traders instead of the usual packer. The large auction quantities must be the result of a large December crop which has not yet been published. In the meantime, the weather conditions have turned bright and dry, which is normal for the time of the year.
